**ACACIA SUBSIDIARY ENTERS INTO SETTLEMENT AGREEMENT
REGARDING CREDIT CARD FRAUD PROTECTION TECHNOLOGY
WITH REGIS**

Newport Beach, CA – (BUSINESS WIRE) August 11, 2009 – Acacia Research Corporation (Nasdaq: ACTG) announced today that its Financial Systems Innovation LLC subsidiary has entered into a settlement agreement covering a patent that applies to credit card fraud protection technology with Regis Corporation. This resolves a dispute that was pending before the United States District Court for the Northern District of Georgia concerning Regis Corporation.

The expired patent asserted in this litigation generally relates to a computerized system for protecting retailers and consumers engaged in credit card, check card, and debit transactions. The system includes an electronic card reader, and the generation and use of a transaction number, which specifically identifies each transaction processed within the system.
