Acacia Research Subsidiary Receives Final Judgment of \$4.5 Million in Patent Infringement Case Against Universal Lighting Technologies

NEWPORT BEACH, Calif. – (BUSINESS WIRE) – September 13, 2011 – Acacia Research Corporation’s (Nasdaq: ACTG) subsidiary, Lighting Ballast Control LLC, received a \$4.5 million final judgment stemming from its June 17th, 2011 trial verdict and corresponding \$3 million damages award in its patent lawsuit with Universal Lighting Technologies.

In the final judgment, signed on August 25th, 2011, the District Court for the Northern District of Texas found that the inventor of the patent-in-suit acted diligently in contacting Acacia to seek “an effective means to challenge a host of large, wealthy corporations, having already put such corporations on notice regarding his infringement contentions.”

ABOUT ACACIA RESEARCH CORPORATION

Acacia Research Corporation’s subsidiaries partner with inventors and patent owners, license the patents to corporate users, and share the revenue. Acacia Research Corporation’s subsidiaries control over 180 patent portfolios, covering technologies used in a wide variety of industries.

Information about Acacia Research Corporation and its subsidiaries is available at www.acaciaresearchgroup.com and www.acaciaresearch.com.

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995

This news release may contain forward-looking statements within the meaning of the “safe harbor” provisions of the Private Securities Litigation Reform Act of 1995. Such statements are based upon our current expectations and speak only as of the date hereof. Our actual results may differ materially and adversely from those expressed in any forward-looking statements as a result of various factors and uncertainties, including the recent economic slowdown affecting technology companies, our ability to successfully develop products, rapid technological change in our markets, changes in demand for our future products, legislative, regulatory and competitive developments and general economic conditions. Our Annual Report on Form 10-K, recent and forthcoming Quarterly Reports on Form 10-Q, recent Current Reports on Forms 8-K and 8-K/A, and other SEC filings discuss some of the important risk factors that may affect our business, results of operations and financial condition. We undertake no obligation to revise or update publicly any forward-looking statements for any reason.
